- Health Section will provide two tractors for excavator for transportation of desilt materials. Excavators will directly load the silt to tractors during excavation/cleaning. During transit period of tractors, excavator will stacked the excavated silt on road which will be removed within 24 hours engaging health section tractors in afternoon without hampering daily SWM work. Excavators should not be idle in any situation.
- JE/As should submit daily progress report as per format enclosed to Swagatika Mohanty, JE for record.
- JE/As concerned will sign the log book daily. Night time mechanical desilting should be taken up in busy areas as per instruction communicated earlier. Log book should be verified by the concerned engineer in charge of excavators & tractors. JE/AE should ensure that Work Sarkar under their control will must present during mechanical desilting & maintain the site book.
