Terms and Reference
for Functioning of Kine House at Satichaura by Mission Shakti Groups (MSG)/ALF
under Cuttack Municipal Corporation

Introduction:

A good number of stray cows and bulls in urban areas roam freely on main roads posing a threat to vehicular commuters as well as pedestrians. These stray cattle also forage on garbage dumps, consuming plastics and wires, as well as potentially suffering fatal traffic injuries. Abandoning of cows in streets is contentious as these animals are often injured, even causing human mortality, thereby causing a public health risk to humans and animals. In such scenario it becomes imperative that Kine houses are established and made available in urban areas with all facilities like health care, stall feed etc. It is the only alternative to shelter these stray cows and bulls. Cuttack Municipal Corporation has thus planned to bestow the responsibility of operation of maintenance of the Kine House in Satichaura to the SHGs for the first time in order to control bovine menace in the city and provide services for the uncared-for animals.
